How is Asia's cement industry expected to perform and shine next year? Will demand return to mitigate the surplus situation? Will China's new policy to shut down obsolete plants resolve the overcapacity situation? Is Vietnam on the road to converting its cement sector into an export industry?

CMT's 13th Asia CemenTrade delivers latest developments and market insights to meet your business needs.

What's New!!!

- Analysis of the latest policies influencing China's cement sector
- Market outlook – **China, India, Vietnam, Philippines, Bangladesh**, etc.
- Global/regional trading patterns & opportunities for next year and beyond
- Construction projects in Sri Lanka and drivers of the cement sector
- Shipping and sea freight outlook for dry bulk

You Will Network With:

Senior Managers/Executives/Traders from international/regional cement companies, ready-mix concrete companies, pre-cast & building materials companies, cement raw materials suppliers (slag, fly ash, steel, coal), construction/infrastructure/building/equity/research analysts, project financiers/banks, engineering, environmental & CDM consultants, technology & equipment providers, logistics & shipping companies (dry bulk and cement carriers)
