

2nd SAPET

SAO PAULO / 10 - 11 May 2011

* SAPET – South America PET Packaging Markets & Technologies
* Happening on the same week as Brasilplast

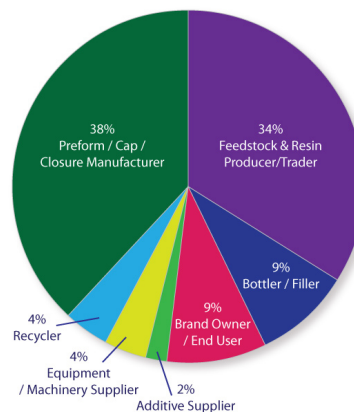

SAPET – Premier Meeting Place for South American PET Resin & Packaging Industry

CMT's SAPET conference is the largest annual gathering dedicated to high-level discussions on market and technological trends for the entire PET value chain.

The first SAPET held in June '10 attracted over 150 participants, consisting of senior management and decision makers of major PET buyers and suppliers, as well as leading machinery and technology providers.

Key Highlights:

- Hear from Big Brand Owners and Leading Converters in South America
- Global and Regional Analysis of PET Resin and Raw Materials (PX/PTA/MEG)
- Advancements in PET Packaging & Recycling Technologies
- Sustainable Packaging Trends – Biobased & PCR materials
- Market Outlook of PET bottles & films :
Brazil, Argentina, Chile, Peru
