Numerous oleochemical production capacities are coming on stream this two years, how will it change the supply/demand dynamics? How are players reacting to the new capacities and will margins be further squeezed?

Indonesia's tax incentive has spurred downstream oleo investments with Wilmar, IOI, Ecogreen, P&G & etc investing in the country. Will these capacities be consumed domestically or to be exported?

Learn from our speakers about how the oleochemical markets and industry are expected to react to these and other issues.

- Global market for fatty acids and fatty alcohol
- Feedstock market trends & alternatives
- Market outlook for APAC, European, and US oleochemicals
