into our 30th year

“Turkey’s cement industry will probably grow this year after stagnating in 2012 because of a slowdown in the construction industry... Large infrastructure including highways, the Bosphorus bridge and power plant projects will boost cement demand this year...”

Jan 2013, Bloomberg Businessweek

“Saudi Arabia’s King, HH King Abdullah bin Abdulaziz Al Saud has issued a directive to fund more cement plants and import around 10 million tonnes of cement in order to offset a shortage in the country.”

April 2013, Construction Week Online
