

3rd Myanmar Mining Summit

18 – 20 October 2016 / Yangon

Ministry of Natural Resources and Environmental Conservation

OFFICIAL HOST:

ORGANISED BY

www.cmtevents.com

Day One - Tuesday, Oct 18th

~ Separately Bookable ~

**Pre-Summit Workshop
Geological Workshop on Mineral Resources
in Myanmar & Prospectivity
(10:00 – 16:30 hrs.)**

- 10:00 **Introduction & Overview**
Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania
- 10:30 **Metallogeny of SE Asia & Mineral Potential of Myanmar**
Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania
- 11:30 **Gold Deposits of Myanmar**
Dr. Ye Myint Swe, Director General
Department of Geological Survey & Mineral Exploration (DGSE)
Ministry of Natural Resources and Environmental Conservation
- 12:00 Discussion followed by Lunch Break
- 13:30 **Pb-Zn-Ag Deposits of Myanmar**
U. Aung Kyin, Director
TRIUMPH Mining & Mineral Technologies Company Limited
- 14:00 **Cu Deposits of Myanmar**
Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania
- 14:30 **Sn-W Deposits of Myanmar**
U. Than Htun, Project Manager
Myanmar Precious Resources Group
- 15:00 **Mineral & Gem Deposits of Myanmar**
Dr. Kyaw Thu, Gemmologist
Macle Gems Trade Laboratory

- 15:30 **Precious & Base Metal Mineralisation in Kwinthonzé-Chaunggyi Area**
Dr. Tin Aung Myint, Lecturer, Geology Dept
University of Mandalay
- 16:00 Afternoon Coffee Break
- 16:15 **Panel Discussion on Mining & Exploration in Myanmar**
- Myanmar's vast & diverse mineral resources
 - Fast emerging mining/exploration hot spots
 - Success in brown field to green field exploration
 - Sustainability & environment
 - Further research & developing (e.g. training)
- Moderated by:**
Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania
- Dr. Ye Myint Swe, Director General
Department of Geological Survey & Mineral Exploration (DGSE)
Ministry of Natural Resources and Environmental Conservation
- U. Kyi Htun, Consulting Geologist
Independent Geology Consultant
- U. Aung Kyin, Director
TRIUMPH Mining & Mineral Technologies Company Limited
- U. Than Htun, Project Manager
Myanmar Precious Resources Group
- 17:00 End of Workshop

Day Two - Wednesday, Oct 19th

SUMMIT DAY 1

- 08:00 Registration & Coffee
- 09:00 **Opening Address by**
His Excellency U Ohn Win
Union Minister of Natural Resources and Environmental Conservation
- 09:15 Chairman's Welcome Remarks
Mark Berry, Principal Geologist
AMC Consultants
- 09:20 **Amended Mining Law & Regulation (Licensing & Concessions), Clarification on Roles of the Ministry & etc**
U. Kyaw Thet, Director, Department of Mines
Ministry of Natural Resources and Environmental Conservation
- 09:45 **Mineral Potential in Myanmar & Exploration Activities Updates**
Dr. Ye Myint Swe, Director General
Department of Geological Survey & Mineral Exploration (DGSE), *Ministry of Natural Resources and Environmental Conservation*
- 10:15 **Mineral Deposit Projects in Myanmar: Their Exploration Potentials & Sustainable Development**
- Myanmar has a long history of mining for base metals, tin-tungsten, gold, silver, nickel, and gemstones and currently a hot spot for global explorers
 - Despite the fact that Myanmar is endowed with world class resources, mineral and extractive industry is in infancy stage due to several decades of isolation
 - Highlight importance of regional/local ore deposits studies as well as proper and transparent management program for training, community engagement, and corporate social responsibility for sustainable growth
- Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania

- 10:45 Networking & Refreshment
- 11:20 **Operating in Myanmar: Investment & Taxation Related to Mining Operation**
Dr. Marlar Myo Nyunt, Director
Directorate of Investment and Company Administration (DICA)
- 11:50 **JOGMEC's Activities & Current Projects for Sustainable Development of Myanmar Mining Sector**
Satoshi Sadatani, Project Director
Japan Oil, Gas And Metals National Corporation (JOGMEC)
- 12:20 **Mining Project Financing & Options**
U. Than Htun, Project Manager
Myanmar Precious Resources Group
- 12:50 Networking & Luncheon
- 14:15 Afternoon's Chairman
U. Than Htun, Project Manager
Myanmar Precious Resources Group
- 14:20 **Extractive Industries Transparency Initiative (EITI) Report Updates & Forward Directives**
U. Min Zar Ni Lin, Deputy Team Leader
MEITI National Coordination Office
- 14:50 **Feasibility Study on Development of Mwetaung Lateritic Nickel Deposit in Chin State**
- Myanmar has only two world class lateritic nickel deposits namely Tagaung Taung and Mwetaung (second largest)
 - Measured geological lateritic ore reserves is about 42 million tons with average nickel grade 1.409%, metallic nickel reserves is about 600,000 metric ton
 - Recommended mining and smelting method
 - Results of Environmental & Social Impact Assessment & Proposed EMP/CSR program for Sustainable Development. Proposed PSR for Win-Win project
- U. Lynn Myint, General Manager
North Mining Investment Company

3rd Myanmar Mining Summit

18 – 20 October 2016 / Yangon

OFFICIAL HOST:

Ministry of Natural Resources
and Environmental Conservation

ORGANISED BY

Centre for
Management
Technology®
into our 33rd year

www.cmtevents.com

15:20 Public Reporting of Exploration & Mining Information In-Line with International Reporting Standards

(The opening up of exploration and mining opportunities in Myanmar comes with a need to adopt agreed definitions for key exploration and mining terms. There are many examples of national public reporting codes for the minerals industry that are appropriate for use in Myanmar. This talk will provide a summary of the key issues to be considered and the importance of adopting standards for public reporting of such information.)

Mark Berry, Principal Geologist
AMC Consultants

15:50 Networking & Refreshments

16:20 Regional Tin Market Outlook, Economics of Smelting Value Chain in Myanmar

Mussadiq Hamid Merican
Manager, Business Development

Malaysia Smelting Corporation Berhad

16:50 Development of Downstream Processing & Gold/Base Metal Exchange in Myanmar

- Updates on Tin Smelting & Refining Facilities

Dr. Aung Thuyein Win, Chief Engineer (Acting)
No. (2) Mining Enterprise, Ministry of Natural Resources and Environmental Conservation

17:20 Discussion followed by End of Day One

17:30 - 18:30

Networking Cocktail Reception
for ALL Speakers & Participants

Day Three - Thursday, Oct 20th

SUMMIT DAY 2

09:00 Chairman's Remarks
Prof. Khin Zaw, Professor of Economic Geology
University of Tasmania

09:05 Next Generation of Mineral Discoveries in Myanmar – Role of Pre-Competitive Geoscience

- Acquiring & managing geoscientific information
- Importance & benefits of pre-competitive data delivery at the early stages of the mineral exploration and mining investment cycle in Myanmar

David Royle, Geology Consultant
Access Asia Mining Pte Ltd

09:30 Geology, Exploration & Sustainability of Modi Taung Gold Mine

U. Tin Tun, Chief Geologist
National Prosperity Gold Production Group Ltd.

09:55 Copper Mining Project Operation & CSR Efforts for Sustainable Development

Weiwei Meng, Chairman & Managing Director
Myanmar Wanbao Mining Copper Limited

10:20 Networking & Refreshments

10:50 Enforcement on Mining Safety, Environmental Conservation & Sustainability (Local Community Engagement & CSR)

U. Hla Maung Thein, Director General
Department of Environmental Conservation
Ministry of Natural Resources and Environmental Conservation

11:15 Applying International Best Practice in Social & Environmental Performance in New Markets: Case Study of PanAust's Exploration Activities in Mainland South East Asia

Jay Martin, Chief Representative
PanAust Services (Myanmar) Company Limited

11:40 Sustainable Mining in Myanmar: Realities, Challenges & Solutions

U. Kyi Htun, Consulting Geologist
Independent Geology Consultant

12:15 Final Discussion followed by Closing Luncheon

~ Separately Bookable ~

Post-Summit Workshop Best Practice Safety & Sustainable Mining Standards (14:00hr – 17:00hr)

Workshop Outline

All mining companies strive to operate safely, minimise environmental disturbance and provide medium to long term benefits to the local community and other stakeholders. This workshop will present a summary of internationally accepted best practices in safety, environmental management, and community and social responsibility.

The key objectives of the workshop are:

- Summarise the main international organisations involved in setting standards of practice for the minerals industry
- Summarise the internationally accepted codes of practice covering the industry
- Describe the challenges for developing countries to improve standards
- Present a range of examples illustrating aspects of safety, environmental management, and community and social responsibility

Who should attend:

- Policy makers
- Government staff working in the minerals industry
- Myanmar-based mining operators

Conducted by:

Mal Dorricott, Principal Mining Engineer
AMC Consultants
Mark Berry, Principal Geologist
AMC Consultants

You will network with

- Key officials from Mines & Investment Depts
- Mining & Exploration Companies • Commodity traders
- Geotechnical specialists • Instit. Inv / Fund Managers / PE Inv • Investment Banks / Broker / Financial Advisors
- Service /Technology Providers / Law /Accountancy Firms
- Governments / Mining Consultants / Stock exchanges
- Risk Manager / Insurance / Risk management consultants

Customised Sponsorship Package

This event is an excellent platform to promote your organization to influential players and investors in the industry. Sponsorship opportunities available include Corporate, Exclusive luncheon & Cocktail sponsor. Exhibition/catalogue display can be arranged upon request. Contact Fiona@cmtsp.com.sg or (65) 6346 9138

Per Person Fee for:

Bundle Deal	(USD)
(Pre Workshop + Conf + Post Workshop)	2485.00
Conference	(USD)
3rd Myanmar Mining Summit: 19-20 Oct	
Regular Fee	1695.00
Group Fee for 3 or more	1295.00

Optional Activity Submit: request for 1-to-1 meeting
Participants who wish to schedule private meeting with Myanmar Ministry of Natural Resources & Environmental Conservation will be put on waiting list and the meeting slot will only be confirmed nearer to event date by email.

Pre-Conference Workshop: 18 Oct 695.00

Post-Conference Workshop: 20 Oct 395.00

Online Payment Discount (per person) (USD)

Pay Online By 31 Aug with VISA/MasterCard -300.00

Not applicable with any other discount
