

Testimonials from 6th Biobased Chemicals and Plastics, 19-22 June 2017 - Bangkok, Thailand

"Overall very satisfying experience, great presentations, excellent networking opportunities" – **India Glycols**

"Good insight/update on status of bio-based chemicals and plastics in Asia, especially in Thailand"
– **Capricon Ventures**

"Give me an understanding about global & regional in the bioplastics and biobased polymers. New friends, new network, new ideas" – **Indonesian Research Institute for Biotechnology and Bioindustry**

"Good place to find networking & to update academic knowledge" – **SMS Corporation**

"Good place to collect bio related valuable information in entire value chain" – **Synvina**

"Very good update on status & trends"
– **SCG Chemicals**

"Good" – **KSL Green Innovation**

You Will Network With Senior Decision Makers from:

Chemical & Polymer Producers | Biofuel Producers | Biobased Chemical & Bioplastic Producers | Agricultural Companies | Sugar, Starch & Oilseed Processors | Oils & Fats Suppliers | Biomass Suppliers & Traders | Composting, Recycling & Waste Management Co | Converters, Processors & Machinery Suppliers | Governmental Bodies, Policy Makers & Influencers | Cleantech / Biotechnology Venture Capital & Private Equity Co | Financial Institutions | Technology Platform Developers | Engineering, Procurement & Construction (EPC) Co | Chemical Storage and Logistic Co | Catalyst Suppliers | Enzyme Suppliers | Leading Research Centers | Analysts & Consultants | End-use companies from: Home & Personal Care, Packaging, Automotive, Adhesive, Solvent, Printing Ink, Lubricant, Paints & Coatings

Sponsor or Book your Exhibition Space

This event is an excellent platform to promote your organization to influential players & investors in the industry. Talk to us for sponsorship packages or book your exhibition space now!

Confirmed Speakers from

- LanzaTech
- Plantic Technologies (Kuraray)
- Ikea
- VTT Technical Research Centre of Finland
- Organic Waste Systems (OWS)
- DuPont Industrial Biosciences
- Eastman Chemical Company
- Polydime International
- Sulzer
- Poyry Management Consulting
- UPM Raflatac
- Covestro
- PepsiCo

7th Biobased Chemicals & Plastics

5-8 June 2018 / Bangkok, Thailand

"Advances in Biochemicals & Push towards Bioplastics"

Biobased Chem Asia

- Growth prospects of biobased specialties & commercialization trends
- Development of Biobased building blocks: dicarboxylic acids, diols, isosorbide, epichlorohydrin, lactic acid & drop-ins
- Development in value chains: feedstocks, markets and cost competitiveness
- Asia's rise as a biorefineries hub – projects update
- Government regulations driving the bioeconomy

Bioplastics Markets

- Bioplastics market outlook & growth prospect in Asia
- Brand owners' perspective on bioplastics applications & expectations
- Converters views on bioplastics processing
- Focus on PLA, PHA, PHB, bio-PET, bio-PA, bio-PUR, starch-blends & more
- Country focus session: **Thailand, Japan, China, Korea, India, Sri Lanka, Malaysia, Indonesia**
- Recycling & composting facilities update
