

"According to Market Research, Asia will be the Key Protein Market by 2025 ; with China & India Leading the Charge."

# 3<sup>rd</sup> Sustainable Food Proteins ASIA

8 - 9 December 2020 / Singapore

Join us in Singapore for a timely discussion and information sharing on new developments in Asia's food protein markets.

## Key Highlights

- Protein consumption trends and what will shape the landscape for the meat protein market
- Adoption of novel protein substitutes
- Clinical studies & amino acid profiles of alternative proteins
- Scaling up cell-based meat & challenges
- Protein purification & taste modulation solutions to reduce bitterness for plant protein

## Whom You Will Network With

- Food ingredients companies • Companies that produce proteins from plant-based sources - peas, pulses, wheat, rice, soy, from animal protein dairy - eggs, whey, meat, and novel ingredients - insects • Food manufacturers & processing industries investing into protein markets , nutritionists, private retail manufacturers, retail & food services channels • Process technology suppliers, regulatory officials • Companies into food for sports nutrition, food for elderly, muscle building, health & wellness

## Testimonial from last Protein conference

This is my first protein conference and my learnings were highly beneficial to our company. ~ **The Lupin Co**

Inspiring conference, good place for networking. ~ **Improve**

Very good perspective of the emerging opportunities. ~ **Nestle R&D Centre Pte Ltd**

Very good and useful information are given by speaker. ~ **National Starch**

High quality presentations throughout from technical to marketing. ~ **Sicca Dania**

Food Proteins ASIA is a great platform for Asian players in plant and alternative proteins sector to connect with each other. ~ **Shiok Meats**
