Will the cement industry bounce back faster than expected in 2010? How far has the government's stimulus programs helped to boost the sector?

Organised for the 12th consecutive year, CMT's CemenTrade Asia is the pivotal platform to gain market intelligence, trade analysis and future outlook!

## Key Highlights:

- Global cement industry landscape – A year after the financial crisis
- India & China in focus – Offsetting the oversupply scenario?
- Gain what's in store for the Greater Mekong Sub-Region as Siam City weighs in
- With the end of war, will the revival of construction drives cement demand in Sri Lanka?
- Asia coal market dynamics and the evolving regional pricing benchmarks
- Project update: Jurong Port cement terminals and expansion plans
- Singapore's Green Labelling Scheme & it's impact on the cement & construction sector

## You will network with

Senior executives/traders from international/regional cement companies, ready-mix concrete companies, pre-cast & building materials companies, cement raw materials suppliers (slag, fly ash, steel, coal), construction/infrastructure/building/equity/research analysts, project financiers/banks, engineering, environmental & CDM consultants, technology & equipment providers, logistics & shipping companies (dry bulk and cement carriers).
