Pulse on CMT's BTL series

Our BTL conferences, attracts over 100 worldwide delegates and have been brought around the region with the first one in Munich, then Vienna, Gothenburg and Graz.

We work with industry leaders to bring you the latest issues on BTL technologies.

5th BTLtec at Haarlem

Only 15 minutes from the airport, Haarlem is a large and scenic city with close proximity to the ECN Site Visit. This optional site visit is arranged for all delegates to visit ECN's gasification and gas treating infrastructure. A pilot-scale torrefaction setup and a lab-scale entrained flow gasifier will also be shown on-site

Testimonials from last year's event in Graz

“This conference provided an excellent opportunity to the various approaches of converting biomass to energy and fuels and factors that must be evaluated to determine economic and technical viability”

David Kilanowski, Senior Principal Investigator, Velocys

“I really enjoyed the technical expertise and broad discussions at the 4th BTL conference”

Grant Hawkes, Research Engineer Idaho National Laboratory

“Useful opportunity to meet other BTL players”

Mika Timonen, Project Manager, Vapo International

“Excellent conference on BTL field”

Yan Li, R & D Engineer, Nexterra Systems
