

"Assessing the impacts of global developments including increase of Black Sea's wheat crop, prolonged drought in Thailand & impending global recession - How do these weigh in on starch industry?"

5th StarchWorld EUROPE

10 - 11 Nov 2020 / Prague, Czech Republic

Highlights

- New Green Deal for Europe – Transforming end-to-end value chains from climate smart agriculture to demand for starch-based packaging
- Transforming raw materials waste into novel bioplastics
- Valorising starch raw materials to produce innovative ingredients including fermentation, fibre and plant-based ingredients
- Sugar reduction innovations and clean label developments
