12<sup>TH</sup> ASIAPET SERIES

# CIRCULAR PLASTICS PACKAGING ASIA

8 - 9 NOV 2023 / HO CHI MINH, VIETNAM

Asia Pacific is projected to drive rapid growth in single use plastics packaging. According to a report- It said that Single-use plastic packaging is expected to be a US\$26 billion global industry this year, with rapid market growth driven by rising spending power in Asia Pacific.

What are governments and the industry doing about this? How much is being invested to drive plastics circular economy in Asia?

Back by popular demand, the 12th PET Asia series has now expanded to include a wider range of issues from regulations to updates on plastics recycling project developments in the region.

## Key highlights include:

- Scaling up plastics recycling infrastructure in Asia.
- Regulatory updates and Extended Producer Responsibilities in Asia.
- Plastics chemical recycling challenges in Asia.
- PET food grade recycling projects.
- Sustainable plastics packaging from mono-material to reusable/ refillable packaging.
