## Scaling Up Nature Based Solutions in a Rapidly Changing World

Embark on a transformative journey at our **2nd Net Zero with Nature Based Solution** in **Singapore** this coming April. Dive deep into the cutting edge of this dynamic field, where seasoned sustainability professionals mingle with inquisitive investors and ambitious entrepreneurs, all unified by their passion for safeguarding our planet. Witness groundbreaking forest restoration initiatives unfolding alongside ingenious financing models fostering urban greening revolutions. This comprehensive summit caters to every stakeholder, offering a rich tapestry of knowledge and inspiration tailored to your unique lens.

### Here's why you should join us:

- **Gain insights from the forefront of NbS:** Learn from renowned experts and practitioners sharing their knowledge on diverse topics like carbon markets, biodiversity conservation, sustainable land management, and community engagement.
- **Discover the potential of NbS across Asia:** Dive into regional success stories and explore the unique challenges and opportunities for implementing NbS in Asia.
- **Connect with a vibrant community:** Network with leading organizations, investors, NGOs, and passionate individuals all committed to building a more sustainable future through nature.
- **Equip yourself with actionable knowledge:** Leave the conference empowered with practical tools and resources to implement NbS in your own work, community, or business.

### Beyond inspiring talks and panel discussions, the conference offers invaluable benefits:

- **Stay ahead of the curve:** Gain a holistic understanding of the rapidly evolving NbS landscape, including emerging trends and policy developments.
- **Find investment opportunities:** Explore lucrative possibilities in the burgeoning NbS sector and make informed decisions about where to invest your resources.

- **Scale up your impact:** Learn from thriving NbS projects and discover scalable solutions that can make a real difference in your local context.
- **Be part of the solution:** Contribute to a collaborative movement dedicated to harnessing the power of nature for a healthier planet and a brighter future.

Don't miss this chance to be a part of our **2nd Net Zero with Nature Based Solutions** summit this **23rd to 24th April!** Join us and take your commitment to sustainability to the next level. Together, we can unlock the immense potential of Nature-Based Solutions for a thriving planet and resilient communities.
