JOIN US AT ASIA PREMIER BIOMASS & BIOFUEL MEET IN TOKYO!

This premier event, encompassing the Biofuels & Biocarbon and 14th Biomass Pellets Trade & Power agendas, stands as Asia's foremost gathering for biomass and biofuel stakeholders. Bringing together key industry and commercial leaders —from biomass pellet producers, agricultural residues suppliers, biofuel and feedstock providers, as well as traders and users in aviation, shipping, power utilities and heavy industries —this conference facilitates collaboration and insights shaping the future of the biomass and biofuel supply chain in the Asia Pacific region and beyond.
