Sustainable Bio-Power Development & Biomass Supply from SE Asia

CMT's **8th Biomass & BioEnergy Asia conference** and exhibition is set to return to **Vietnam's Ho Chi Minh City** on **27 - 28 November**, with an exciting line-up of speakers panel, insightful presentations, not-to-be-missed panel discussions, and plenty of networking opportunities for a promising gathering of biomass industry stakeholders in the region.

Key Highlights:

- Assessing the role of SE Asian biomass supply (wood pellets, chips & palm kernel shells) for Northeast Asian & European demands
- SE Asia's energy transition roadmap - Demand for biomass in industrial energy & power generation in Vietnam, Malaysia, Indonesia, Thailand & the Philippines
- Demand market trends from Japan, South Korea & insights on the Taiwanese market potential
- Monitoring the environmental & sustainability regulations
- Value-added processing tech of oil palm biomass
- Torrefied biomass production taking off in SE Asia?

Join us at this 2-days **SE Asia Biomass MEET**, and take full advantage of the networking opportunities to connect with prospective partners in Asia biomass trade. More details on sponsors and speakers to be announced, but register NOW to enjoy the early bird discounts, or contact huiyan@cmtsp.com.sg for more information.
