### Webinar Details:

In light of today's public health climate, there has been renewed interest in food packaging in plastic / PET trays. But there's still the end-of-life issue to consider.

CMT's webinar brings together a thermoform producer, technology supplier and an important foundation that grants certification to sustainable tray manufacturers to address the challenges associated with recycling PET thermoform trays and how to close the loop.

CMT PET Series Webinar on

# Closing the Loop on PET Thermoform Recycling

Wednesday, 22 JULY 2020, 11:00 hrs. (GMT+2)

MODERATOR

SPEAKERS

**MERCEDES GOMEZ PANIAGUA**  
Managing Director  
Plastic Sense Foundation

**HUGO MIGUEL TRINDADE**  
Country Manager Portugal  
SP Group Packaging

**ANDREAS STOIBER**  
Area Sales Manager  
Viscotec

- **Recycling and Recyclability of Thermoformed PET trays in Europe**  
(Moderator) Mercedes Gomez Paniagua, Managing Director, Plastic Sense Foundation
- **Closed-Loop Recycling Program For Food Contact R-PET Thermoform Packaging**  
- Value of supply chain involvement and partnership in recycling plastics  
Hugo Miguel Trindade, Country Manager Portugal, SP Group Packaging
- **Closing the Loop in Thermoform PET Recycling**  
Andreas Stoiber, Key Account Manager, Viscotec

This webinar is also a prelude to **CMT's 2nd Recycled Packaging for Food Contact** & **21st GEPET Polyester & Recycling** conferences happening in *Lisbon on 29 Sept – 1 Oct 2020*.

**\*Bonus:** Webinar attendees are entitled to **€150 discount off** the conference fee.

Enquire with [hafizah@cmtsp.com.sg](mailto:hafizah@cmtsp.com.sg) to find out how. You may also email us your webinar-related questions, comments and feedback.

# DAY 1 29 SEPTEMBER 2020 TUESDAY

## YOU WILL NETWORK WITH

- Resin producers/traders • Plastics, paper, metal recyclers • Paperboard/fiber packaging suppliers • Food packaging Companies • Converters • Bottlers • Food Lawyers/Consultants • Testing Laboratories • Government Authorities in Food Health & Safety • Brandowners, End users • Coatings, inks suppliers • Bioplastics producers

## TO EXHIBIT / SPONSOR

Customised sponsorship Package available include Corporate, Exclusive Luncheon & Cocktail sponsor. Exhibition / catalogue display can be arranged upon request. Contact: [cynthia@cmtsp.com.sg](mailto:cynthia@cmtsp.com.sg)

08:00 Registration

09:00 Chairman's Introduction

09:05 **Updates on EU regulation for food contact materials with focus on recycled packaging**  
Rachida Semail, Partner  
**Keller & Heckman**

09:40 **Solutions for reaching the commitment on recycled content**  
Dr. Lionel Spack, Senior Food Contact Materials Expert  
**Nestle Suisse SA**

10:15 Discussion followed by Morning Coffee

10:50 **Returning coffee cups back into the loop**

- Improving collection infrastructure
- Importance of collaboration with the entire supply chain
- Lessons learnt for on-the-go supply chain from the coffee cup recycling sector

Tom Campbell-White, European Strategic Development Director  
**DS Smith Recycling**

11:25 **How to get approvals for non harmonised food contact materials such as coatings**

- Approval processes and more relevant national requirements.
- How to gain approvals for substances used in coatings process for cans and for plastics which are not harmonised.
- Recycling cans and their coatings

Peter Oldring, Director Regulatory Affairs - Europe  
**Sherwin-Williams Protective & Marine Coatings (EMEA HQ)**

12:00 **A forensic LCA approach its importance in relation to recycled materials for food contact**  
Agnieszka van Batavia  
Packaging Sustainability & Regulatory Advisor  
**The LCA Center**

12:30 Discussion. Followed by Lunch

14:00 **Risk assessment of recyclates behind functional barriers**

- efficacy of an A-B-A structure with PET recyclates behind a functional barrier

Dario Dainelli, Consultant, **TUV Rheinland**

14:35 **A natural solution to improve the safety and the recyclability of paper packaging for food**  
Charlène BEAL-FERNANDES, B2B Communication Manager  
**Lactips**

15:05 **Ecosense : Certification scheme for recycling processes of plastic containers**  
Miguel Beas Arco, Technical Director, **Externa Soluciones**

15:35 Discussion followed by Tea Break

16:05 **Solutions for difficult-to-recycle and food grade plastics**  
Prof. Dr. Edward Kosior, Managing Director, **Nextek Limited**

16:40 **Unlocking the Full Circularity of Polystyrene**

- Positioning the PS industry to become a key contributor to the European Commission's recycling goals

Dr. Julien Renvoise  
Recycling & Marketing Manager EMEA, Polystyrene  
**Trinseo France S.A.S.**

17:05 **Comparison of US FDA and EFSA with regards to food contact materials packaging**  
Gyongyi David, Associate, **Steptoe & Johnson LLP**

17:35 Discussion and End of Day 1.

17:40 - 18:40 hrs. **Drinks**  
for all Speakers & Participants  
Hosted by  
**viscotec**  
foodgrade without compromise

- 09:00 Chairman's Remark
- 09:05 **Global PepsiCo sustainability program – An update**  
Ivan Filatkin, R&D Packaging Development Manager  
**PepsiCo Europe**
- 09:45 **Intelligent sorting solutions for plastics recycling based on digital watermarking technology**  
Larry Logan, Chief Evangelist / CMO  
**Digimarc**
- 10:15 Discussion followed by Tea Break
- 10:50 **Regulatory challenges & solutions for sustainability and circular economy**  
i) **Russia**  
Ovsyannikov Sergei, Sustainable Development, Senior Expert  
**OJSC Sibur Holding** - (Corporate HQ)
- ii) **France**
- New eco framework on biobased and biodegradables
  - Alternative packaging choices for brandowners
- Valentin Fournel, R & D Director  
**CITEO**
- 11:50 **Food packaging trends – impact of sustainability commitments on choice of packaging material**
- 12:00 **Circular Intelligence: Closing the loop in thermoform recycling**  
Senior Representative  
**Viscotec**
- 12:30 Final Discussion
- 12:40 End of conference.

#### FEE DETAILS

##### Conference Fees (per person)

**Regular** (1 or 2 delegates) €1295

**Group** (3 or more delegates) €1095

**Bundle Package** €1995  
(2nd Recycled Packaging for Food Contact, and, 21st GEPET Polyester & Recycling)

**Discount for Payment By MasterCard/Visa** €75 discount  
(Promo Valid till 29 Aug)

# DAY 1 30 SEPTEMBER 2020 WEDNESDAY

08:00 Registration for 21st GEPET delegates

09:00 Chairman's Introduction

09:05 **Global PepsiCo Sustainability Program – An update**  
Ivan Filatkin, R&D Packaging Development Manager  
PepsiCo Europe

09:45 **Intelligent sorting solutions for plastics recycling based on digital watermarking technology**  
Larry Logan, Chief Evangelist / CMO  
Digimarc

10:15 Discussion followed by Morning Coffee

10:50 **Regulatory challenges & solutions for sustainability and circular economy**  
i) **Russia**  
Ovsyannikov Sergei, Sustainable Development, Senior Expert  
OJSC Sibur Holding - (Corporate HQ)

ii) **France**  
• New eco framework on biobased and biodegradables  
• Alternative packaging choices for brandowners  
Valentin Fournel, R & D Director  
CITEO

11:50 **Food packaging trends – impact of sustainability commitments on choice of packaging material**

12:20 **Circular Intelligence - Closing the loop in thermoform recycling**  
Speaker to be confirmed  
Viscotec

12:50 Discussion followed by Lunch

14:00 **Increasing commitments to use rPET while virgin PET chain capacity surges**  
• Will plummeting virgin prices threaten recycling ?  
• Increasing rPET content and the challenge for consumers to pay premium  
• What changes and which regions/products will pay high prices for RPET and which will go for increasingly cheap virgin  
Stewart Hardy, Senior Consultant  
Nexant

14:40 **The environmental contribution of plastics packaging , on-going recycling projects in Italy**

- what would be the available rPet volume in 2025
  - new R&D projects on recycling
  - clarifying the new tax on Virgin plastics
- Antonello Ciotti, President
- 
- Corepla

15:10 **Developments on sustainable textiles**  
• how much recycled PET goes into polyester/textiles business  
• From the perspective of the textiles industry - how is the industry practicing sustainability, are there any developments on textiles-to-textiles recycling  
Mauro Scalia, Director Sustainable Businesses  
European Apparel and Textile Confederation

15:40 Discussion followed by Tea

16:15 **Mono material hot fill cups from foamed PET**  
Max-Phillip Lutz, Product Manager  
SML Maschinengesellschaft mbH

16:45 **Innovations in Recycling of Multilayer PET**  
Sergio Collado Canas, Head of Engineering & R&D  
Sulayr Global Service SL

17:15 End of Day 1

17:15 - 18:15 hrs. **Networking Reception**  
for all Speakers & Participants  
Hosted by

## YOU WILL NETWORK WITH

Feedstock suppliers (PX/PTA/MEG), PET resin producers & suppliers, Polyester manufacturers, Polymer/ Petrochemical traders, Converters & preform manufacturers, Technology providers, Recycling companies, Bottlers/fillers, Brand owners
